Dear Bob:

Subject: FBIS Seal

The fine suggestions for a FBIS seal sent in by [REDACTED]

STAT

[REDACTED] reflected originality, and thought, and an unusual amount of artistic talent, and were carefully considered here in Headquarters.

STAT

The ultimate choice which you soon shall be seeing on new FBIS covers was influenced by considerations other than taste alone; on the whole,

I believe we have improved our covers. Please express my thanks to

[REDACTED] for his submission.

Sincerely,

[REDACTED]
Director
